

SRFC Goals

We will strive to

value and treat all children equally and with respect regardless of ability, gender or financial or other circumstances

listen to children and promote their happiness and well-being

develop creative, confident, thinking footballers by coaching in a fun, age-appropriate, game-related and positive way

develop pathways for children to progress within the game

allow all children to play and develop children's football skills with equal playing time and by rotating positions

encourage a lifelong love of football

engage with our community and promote football in it

promote the Respect agenda and encourage a sense of individual responsibility to self, team and community

develop coaches and volunteers to ensure the best possible coaching practices in accordance with the club's philosophy

facilitate young people to pursue careers in football as coaches and referees
